

Geography Yearly Overview

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Nursery	We will show what we know about the world in the home corner role play. Begin to make sense of their own life by taking on familiar family roles. We will learn that families are all different.		We will learn about different countries in the world and how it is different to where we live-Arctic and Antarctic.			Know that there are different countries in the world. Talk about where families come from, where have they been? Look at pictures and read stories from other countries to show similarities and differences in people.
Reception			Learn how to use Google earth and Digimap to view the world and find the street/locality where we live. Talk about journeys and different ways of transport.			Observe and discuss features of own environment – walk to Queen’s Park – and discuss how we can influence our surroundings.
Ongoing throughout Reception	<ul style="list-style-type: none"> • Explore the local surroundings of the school. • Talk about the changes in weather and develop a wider range of vocabulary. • Observe and talk about the seasons and the changes between seasons. <p><u>Travelling Tuesday</u> Each Tuesday focus on a different location. Look at information, features and photographs of the location and compare and contrast to their own location</p>					
Year 1		Hot and cold 7 continents and 5 Oceans			Field work Mapping skills-school grounds. Use simple fieldwork and observational skills to study the geography of their school and its grounds.	St Annes Understand geographical similarities and differences of a small area of the United Kingdom (Blackburn and St Annes).

Geography Yearly Overview
