

# Mrs Nelson's News!

Hello families

Our children are settling in and getting into the routines of their new classes. They have adapted quickly, and I am extremely proud of them all. I am going to include reminders for the new school year. As parents, you too have new routines to get used to. If you need to speak to us, then call the office and they will arrange for the class teacher to call you. Teachers will shortly share their email with you so that you can contact them. They are busy all day, but will aim to contact you at the beginning or end of the school day. Have a good week. Mrs Nelson

## Parent Parking

A parent is parking in the junior car park. The staff car park is not for use by parents or carers at any time. Please do not park in the junior or infant school car parks.

## Earrings

Please remove earrings from your child's ears. They are a safety hazard. Your child is at risk of injury if they wear them to school. They will not be able to take part in PE sessions until they are removed. PE is a statutory subject; your child must take part in it, as with every other subject we teach. Pupils can catch their earrings on other children's hair and clothing, and cause substantial injury to their ears. Please remove them promptly.

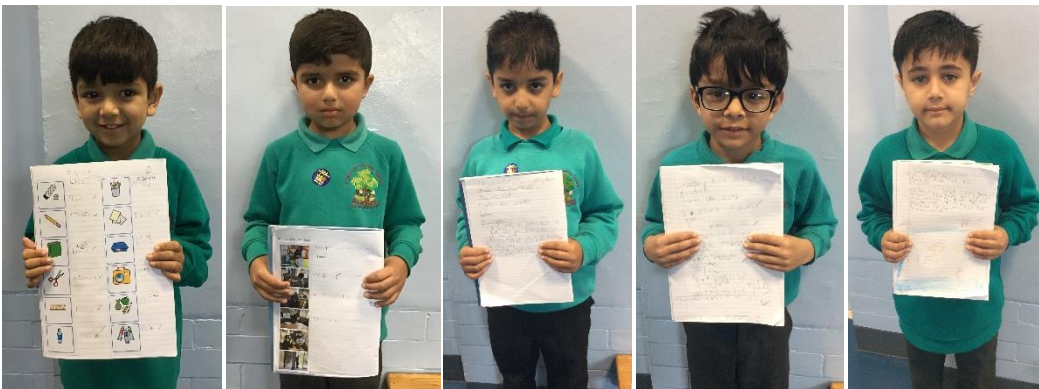

## Weather

Please ensure that your children are dressed appropriately for the weather. The weather is changing, and your children need a warm or waterproof coat and black school shoes.

## Pupil drop off and collection

### Year 1 and Year 2 pupils

- Please do not stand with your child in the line. Stand behind the cones. Teachers will send your child to you.
- Do not try to take them out of the line when they are walking to the playground.
- Ensure your child joins the line with their class; do not wait at the white door.

## Attendance News - Week Ending 12.09.2025

We aim for our children to have at least 96% attendance in a year. This will ensure that they have the best opportunity to learn. We know that there are often genuine reasons for absence. I have included some reminders of our requirements around attendance.

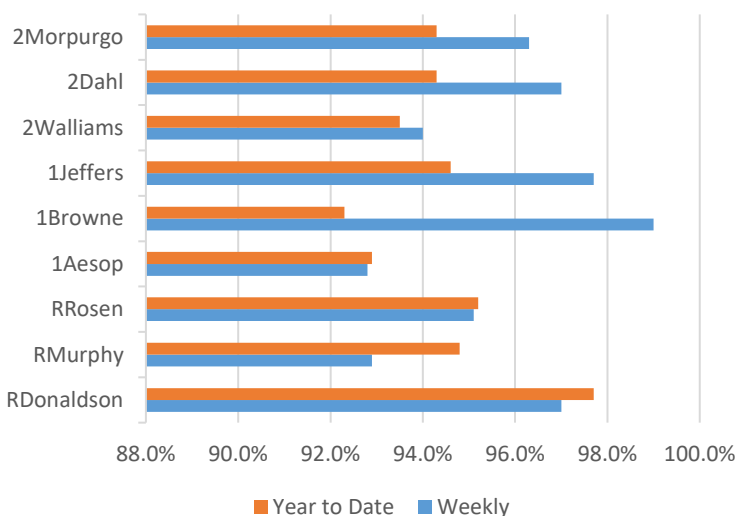

- Please call school before 9am each morning that your child is absent. If you do not then Miss Shah will call you. She spends a significant amount of time calling parents in the morning. This time could be best spent supporting families and children. You can leave a message or hold to speak to a member of office staff.
- Absence is not authorised if your child is off for a period of time without medical evidence. Miss Shah will advise you when you call.
- Routine appointments are not authorised during the school day. We will only authorise emergency appointments.
- Extended leave is not authorised under any circumstance. I cannot agree to pupils being taken out of school for any reason. As a Headteacher, pupils learning will always take priority.

We will do everything that we can to support you to improve your child's attendance. In the event that it does not improve then you will be at risk of a fine. Education is free. Our children attain in line with or better than pupils nationally. Let us teach them! Bring them to school every day.

### As a Parent/Carer you have a responsibility to:

- Ensure that your child attends school on time, every day that school is open.
- Contact school each day before 9am for any absences, with the reason for absence.
- Ensure that your child is collected on time at the end of the school day.
- Inform school if someone else is collecting your child who is not known to us.
- Ensure school has up to date contact details.

### Attendance for Autumn Term 2025

### Lates

- You must be on time every day for school, be ready on the yard or for reception at the blue gates at:
- Reception - 08:45am.
- Year 1/Year 2 - 08:40am.
- Being late has a serious impact on your child's learning and disrupts the other children in their class.
- Breakfast Club is open from 8am daily. All children receive breakfast. You do not need to book. Breakfast closes at 8:30am.
