Dear families

A warm welcome back to you all. It has been a wonderful week. The children are in their new classrooms with their new teachers and support staff. There are lots of smiling faces. We have a new Pupil Wellbeing Coordinator. Her name is Miss Shah. She is here to support you with any concerns or worries you may have that are not education. Illness, changes in family circumstances, and social services. If you want to speak to her, then ask at the office and she will ring you to arrange a time to talk. She is also at the main white doors in the morning, welcoming children into school. She will support families to improve attendance. If you have any concerns do call school and talk to us. We will try to help in any way that we can. Have a good weekend. Mrs Nelson
