Headteacher: Mrs H Nelson

Tel: 01254 52065

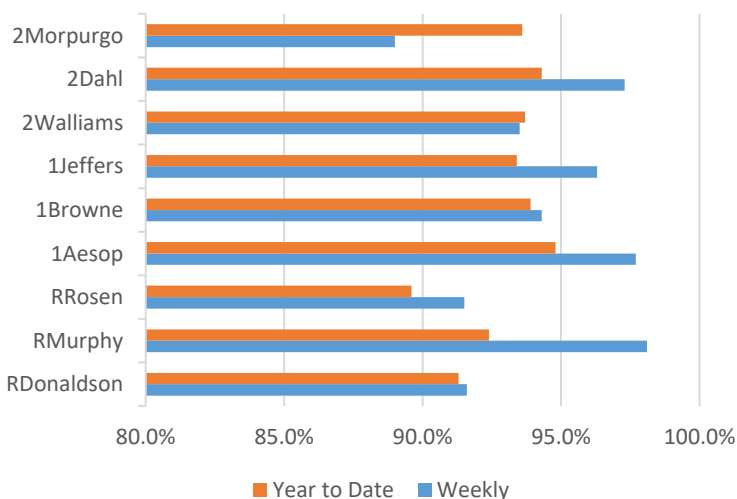

Today was Mad Scientist Day. We have had a ball. Everyone looked fabulous. It felt like a scientist conference with lots of white coats, pipettes and mad hair. The children amazed us with their scientific knowledge. Children were showing me protons and test tubes, talking about secret experiments in their cases! Thank you for your support. We will use the money raised for science week which takes place in March. More information will follow. This has been led by our fabulous and enthusiastic science lead Mrs Umerji. She has inspired our children to want to know more, explore and investigate. Ask your children about their day. I am sure that pictures will emerge on Facebook too. Have a great weekend. Mrs Nelson

Parent Drop-In Sessions will take place on -
YEAR 2 - Tuesday 4th February at 9am
RECEPTION - Wednesday 12th February at 9am
YEAR 1 - Thursday 13th February at 9am

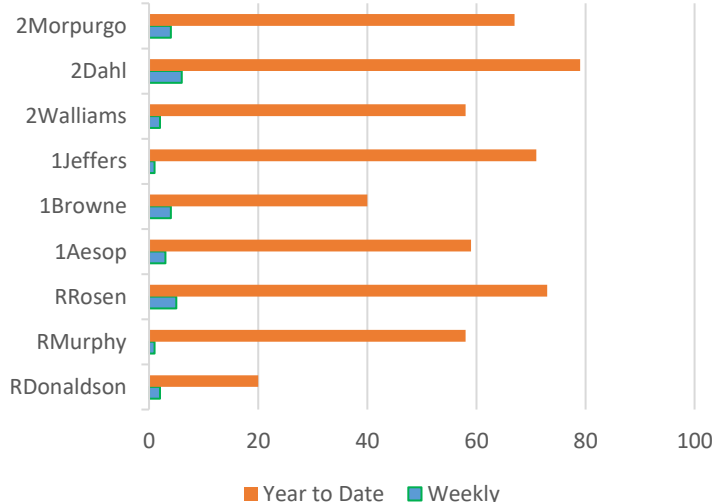

Parking - Do not drive into the cul de sac near the nursery entrance to the school. It is dangerous for families walking into school. You do not have the space to drive safely. Please walk if you can.

Attendance News - Week Ending 31.01.2025

Attendance for Spring Term 2025

Lates for Spring Term 2025

Mad Scientist Day! WOW!

Audley Infant School looked Scientastic! Together we raised £217.92. A huge thank you to all the parents, children and staff for making it a memorable day.

Nursery had fun doing science experiments with magnets and light. Reception have learnt all about Jane Goodall and her love for chimpanzees. Year 1 were busy floating in space whilst they learnt all about Helen Sharman the astronaut. Year 2 explored the fantastic work of John McAdam and made rocky roads with chocolate.

Science week will be held 10th March - 14th March 2025. The money we raised will help make the learning more exciting! Parents will be invited to join in with some science learning on Friday 14th March 2025. Timings will follow.
